COLEÇÃO BRASILIDADE

O azul do nosso litoral e o dourado das areias. O verde majestoso que reina imponente sobre a maior parte do nosso território. O chão vermelho, o pé descalço na terra batida e até mesmo o cinza profundo que engole as cidades.

É nessa mistura de cores, texturas e sensações, que representam a diversidade do nosso país, que a coleção Brasilidade 2024 encontra a sua forma de inspiração, buscando um caminho natural até às nossas casas e o nosso dia a dia.

Encontre uma parte do Brasil que combina com você.

BRASILIDADE COLLECTION

El azul de nuestra costa y el oro de las arenas. El majestuoso verde que reina imponente sobre la mayor parte de nuestro territorio. El suelo rojo, el pie descalzo sobre la tierra batida y hasta el gris profundo que se traga las ciudades.

Está en esta mezcla de colores, texturas y sensaciones, que representan la diversidad de nuestro país, que la colección Brasilidade 2024 encuentra su forma de inspiración, buscando un camino natural hacia nuestros hogares y nuestra vida cotidiana.

Encuentre una parte de Brasil que se adapte a sus necesidades.

COLECCIÓN BRASILIDADE

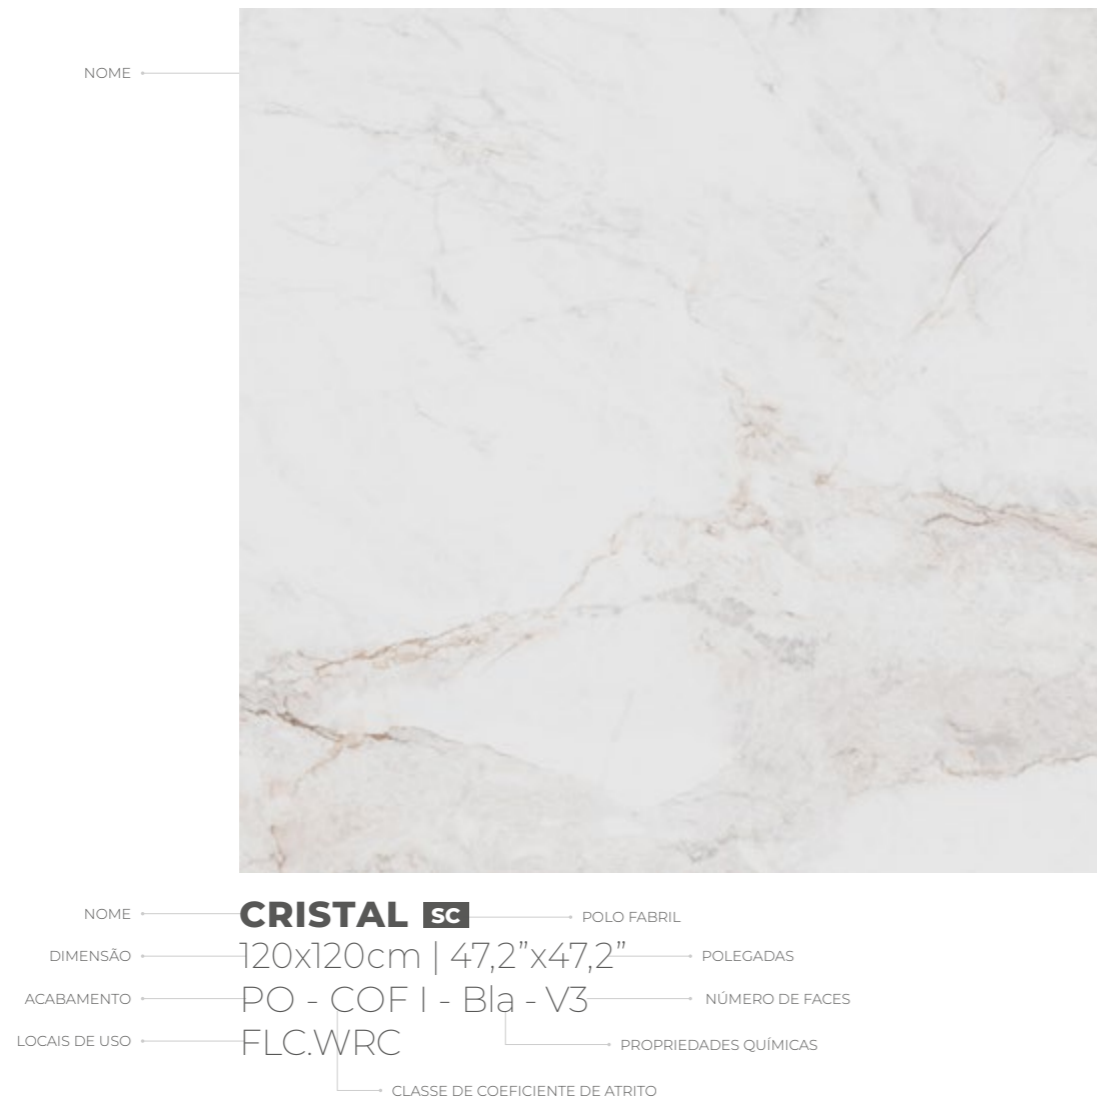

The blue of our coastline and the gold of the sands. The majestic green that reigns imposingly over most of our territory. The red floor, the bare foot on the beaten earth and even the deep gray that swallows the cities.

It's in this mix of colors, textures and sensations, which represent the diversity of our country, that the Brasilidade 2024 collection finds its form of inspiration, seeking a natural path to our homes and our daily lives.

Find a part of Brazil that suits you.

 *For climates other than tropical and subtropical regions, only porcelain tiles (absorption group Bla) can be used for facades.

NOTE: Sand may produce scratches on any type of surface covering (stone, wood, vinyl, ou ceramic tiles). Therefore, ceramic tiles are not warranted against scratches, specially concerning glossy surface products. We recommend special care during tile laying and use. In residential areas, we recommend to protect the base of furniture and appliances.

NOTA: La arena puede provocar rayaduras en todo tipo de revestimientos (piedra, madera, vinil e también en revestimientos cerámicos). Por esa razón los revestimientos cerámicos no otorgan garantía contra rayaduras, en especial los productos con superficie brillante. Recomendamos cuidados especiales durante la colocación y también en el uso diario. En ambientes residenciales proteger con fieltros o alfombras los pies de los muebles y maquinarias.

3. COEFFICIENT OF FRICTION / COEFICIENTE DE FRICCIÓN

Class Clase	Dynamic coefficient of friction-wet Coeficiente de fricción dinámico húmedo	Recommended Usage Uso Recomendado
I	< 0,4	Recommended for dry areas and partially wet areas. <i>Recomendado para áreas secas y mojables.</i>
II	≥ 0,4	Recommended for wet areas <i>Recomendado para áreas mojadas.</i>

Wet areas: Areas of the building where it could be exposed to an agglomeration of water given by the natural/logical usage of the ambient (ex.: Bathrooms with shower, laundry rooms and unsheltered areas). **Partially Wet areas:** Areas of the building where it could be exposed to sprinkles or sprays of water given by the natural/logical usage of the ambient (ex.: Bathrooms without showers, restrooms, kitchens and sheltered balconies). **Dry areas:** Areas of the building where a direct contact of water is not expected even during cleaning operations.

Áreas mojadas: Áreas de la edificación cuya condición de uso y exposición puede resultar en formación de lámina de agua por el uso normal a que el ambiente se destina (por ejemplo, baños con duchas, galerías y áreas no cubiertas). **Áreas mojables:** Áreas de la edificación que reciben solapaduras de agua derivadas de su condición de uso y exposición y que no resulte en formación de lámina de agua por uso normal a que el ambiente se destina (por ejemplo, baño sin duchas, baño, cocina y balcón cubierto). **Áreas secas:** Área donde, en condiciones normales de uso y exposición, la utilización directa de agua (por ejemplo, lavado con mangueras, cubos de agua, etc.) ni siquiera está previsto durante la operación de limpieza.

METALIZADOS

O PROTAGONISMO DOS REVESTIMENTOS INSPIRADOS NAS CHAPAS DE METAL DESTACA AINDA MAIS A DECORAÇÃO DOS AMBIENTES. ELES POSSUEM UM ASPECTO ENFERRUJADO E RÚSTICO QUE IMITA O AÇO CORTEN. O BRILHO DÁ UMA ROUPAGEM NOVA PARA QUEM AMA EXPRESSAR TODA A SUA PERSONALIDADE. SE ESSE ESTILO COMBINA COM VOCÊ, INVISTA NESSE ACABAMENTO SUPERMODERNO

Tiles inspired by metal sheets further highlight the decoration of spaces. They have a rusty, rustic look like Corten steel. The shine gives a new look for those who love to express their personality. If this style suits you, invest in this super modern finish.

El protagonismo de los revestimientos inspirados en hojas metálicas destaca aún más la decoración de los ambientes. Tienen un aspecto oxidado y rústico que imita el acero corten. El brillo da un nuevo aire para aquellos que aman expresar toda su personalidad. Si te va este estilo, invierte en este acabado supermoderno.
